

Employee Golf Privileges Policy

Staff members of the Victoria Golf Club are allowed golfing privileges on Monday afternoons (except on holidays). There is a ballot system now in place through the Pro Shop (Print clearly the first and last names of all players in your group).

Staff members must have reasonable golfing ability, must have their own set of clubs and must be aware of all Club rules as they pertain to the golf course.

There are **4 tee times** available for staff golf Mondays & Thursdays from **3:00 – 3:30 pm** except Holidays. We have many staff members who would like to play and all of them may not be accommodated every week. If you wish to play, please contact the Pro Shop 48 hours in advance to reserve one of these tee times. Every effort will be made to ensure the tee times are allocated fairly.

Additional Notes:

- Dress Code – available on the club website at www.victoriagolf.com.
- Guests – are not permitted without GM approval and will only be made for special circumstances.
- Practice – Use of putting green 20 minutes prior to play is acceptable but use of our driving range is restricted due to its small size.
- Lessons- Our professional team is happy to provide a special rate for instruction.
- Canceling – please let us know asap if you must cancel a time. Failure to do so may result in loss of privileges.
- Power Carts are not permitted without approval from the GM.
